CVIČKY

Procvič si své dovednosti dotvořením pracovních listů. Potrénuj ruce i hlavu. Vypiluj tahy, díky kterým se naučíš krásně psát, a ve škole ti to půjde levou zadní.

CVIČKY jsou součástí kreativního sešitu HOP. Fungují také samostatně jako pomůcka pro děti a jejich rodiče či pedagogy.

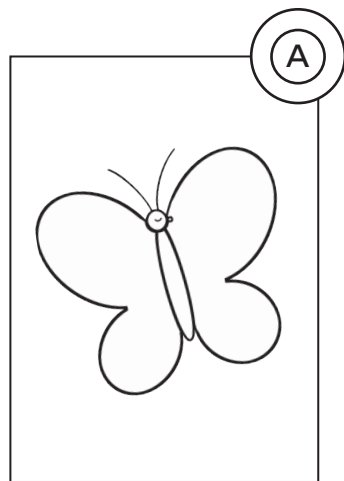

Pracovní listy lze
vytisknout zde.
